

PLUZZABLES

Letter Box Edition

(January 6, 2022)

PLUZZABLES are “playable puzzles”, a series of games you play during or after assembling a puzzle.

In the **Letter Box** edition, players assemble a puzzle with a large collage of mailbox images. They compete using an app to uncover letters hidden in the mail boxes to form words.

COMPONENTS:

- 23x16 inch puzzle with about 160 lasercut wooden pieces or
- 12x18 inch puzzle with about 70 lasercut magnetic tiles
- Web apps.

Overview:

The puzzle you will build contains 330 letter boxes and mailboxes. After assembly, play a game (by number) to find the letters that the mailman misplaced.

Printed Puzzle

The “LetterBox” app let players compete to find hidden words. Before playing the online game, print a guide sheet to help you place letters. Although the app reveals letters and verifies words, you’ll still need to manually track where the letters reside.

Playing the “LetterBox” Game

Using your cell phone, visit www.Pluzzables.com and tap “Play Letterbox”. Select a game by number and whether you wish to find 5-letter or 6-letter words.

The game will display a random mailbox and the letter found in those mailboxes.

Find the mailbox in your puzzle.

Plot the letters that surround the mailbox on your printout.

Tap the mailbox in your app to reveal the letter hidden in that mailbox.

Plot that letter too.

Finding the Hidden Words

As you plot the letters found, you will start to see the hidden words. Once you have found a word of the target length, type it into the verification box.

Remember only to supply words of the target length.

Scoring

You are scored against how many of the hidden words you have found.

More Pluzzables:

Destinations: explore travel posters and fly planes to collect luggage.

Scavengers: build a brainteaser of a puzzle then find adjacent pairs of items to score points.

Decoders: explore and collect matching vintage war posters to decode hidden words.

Road Trip: Match license plates.

Library: Play the “Lost for Words” game.
